THE NEW NIGHT ~~N~~IGHT DRAWER
ISSUE 65
September 24, 2023

Trickster ~~N~~God

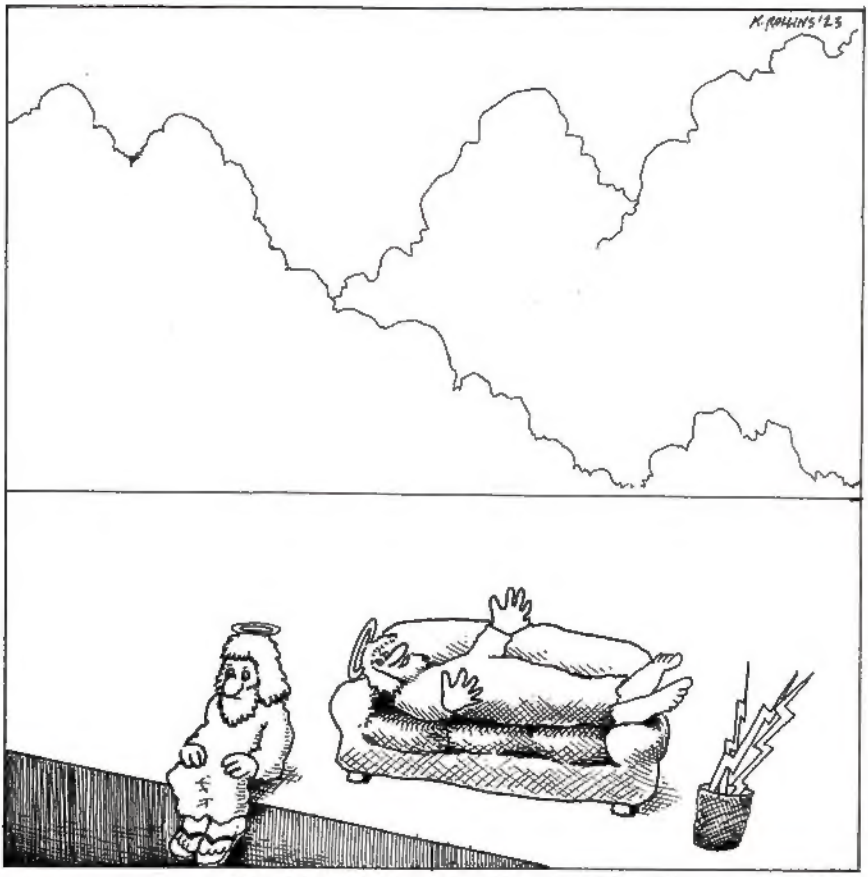
Throughout many different mythologies from different societies and times, the trickster god cha~~XX~~racter shows up again and again. It may be Zues turning into some wierd animal or the Norse god Loki~~M~~ playing tricks on people. Either way there is something about being a powerful entity tha~~X~~t might make you a bit tricky

But perhaps the idea of a trickster god comes more f~~X~~rom a regular humans diffuculty in understanding life in the big picture. It's easy to think that if someone set it all up, and knew everything that was going ~~X~~on, that perhpas they might be having a joke at your ex~~XX~~pense.

But if there is a deity creature who has greater insidght into the lives of mortals, and has power over things in the physical world, I for one do hope that ~~XX~~they have at least a bit of a sense of humor. Even if it's a ~~XXX~~little twisted from time to time.

The prompt for this week of the Night Drawer is "Trickster God". It was choesn in the usual way, and everyone at Le Voyeur drew a little something for it. This is the last week of September, and that means that next month is spooky month! For all of October we will only be making zines of spooky things!

Obvious~~l~~y there~~XXXXX~~will still be lots of cute and normal drawings, but the themes will be spooky by design. Trickster god is not an inherently spooky prompt, so turn the page and enjoy the last non-spooky zine you'll get foir a while.



"HEAR ME OUT... WE COULD GIVE 'EM ALL FLAWS... IT'LL BE SO MUCH MORE FUN TO WATCH 'EM IF THEY'RE MAKING MISTAKES CONSTANTLY. WHAT'S THE WORST THAT COULD HAPPEN? A FEW BRUISES AND CUTS?"

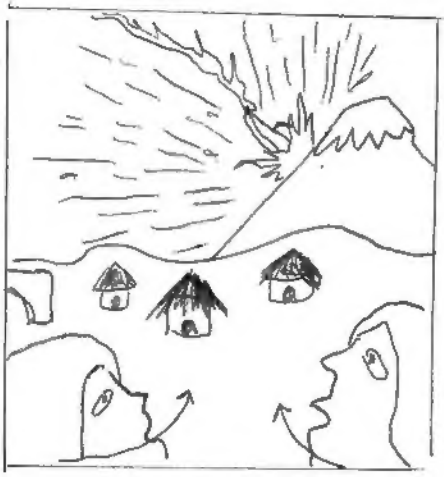
Oh no, we need to do a crash landing!!!

Ahhhhhhh



Oh my god how long is this going to take?
I can fix it in a couple of hours...

You! Beings from the sky! Are you gods?

What? No!
YES!
yes we are gods
